

\*\*\*\*\* CONSORTIUM of \*\*\*\*\*  
MICHIGAN VETERANS EDUCATORS

Please join us for a special webinar opportunity this fall:  
***Understanding the Needs of Student Veterans  
in the Classroom and Academic Environments***

Visit [www.micmve.org/webinars/](http://www.micmve.org/webinars/) to find registration links for each date.  
(The webinar content will not change between dates. Multiple options are offered to fit a variety of schedules.)

**Session Description:** Actively appreciating and valuing diversity on college campuses means understanding the experiences of all types of students, including veterans and military-affiliated students. During these webinars, MVAA's Education Analyst, Dichondra Johnson, will:

- ★ Offer insights on military culture and typical service-to-school transition issues
- ★ Identify common health concerns for veterans, including signs of these conditions
- ★ Provide tangible resources and suggestions for supporting veterans in academic settings

**Recommended Audience:** Full and Part-time Faculty/Professors/Lecturers, Graduate and Teaching Assistants, Academic Support and Program Administrators, Department Chairs, Deans, Provosts, Academic Advisors/Counselors, and other advocates for veterans in higher education

*Interested in taking your advocacy for veterans a step further? Consider utilizing CMVE's free access to Kognito's Veterans on Campus online training module to tangibly practice your skills in supporting veterans in transition through virtual reality simulations.
